### **Prospective Trustees**

#### **Beth Diamond: to fill a vacancy in the term ending in 2025**

Beth has lived in Exeter for over 20 years and greater New England all her life. In the late '90s, she was known by Exeterians as the “bookstore lady” at Time of Wonder children’s bookstore. She then switched gears to work in retirement plan services, which lead to the completion of a JD from Suffolk University Law School and her current role as a Senior Investigator for the Employee Benefits Security Administration of the US Dep’t. of Labor. When not investigating private sector plans, Beth can be found running her favorite paths around downtown Exeter, sewing her latest quilt for a loved one, or reading the latest pick for her book club.

#### **Brian Smalley: to fill a vacancy in the term ending in 2024**

Brian Smalley was born in the UK, but has lived in the US for over 30 years, and moved to Exeter following his retirement in 2017 with his wife, Laura. Before they moved to Exeter, Brian worked for many years in the New York City area as an international steel trader traveling frequently to Latin America. Brian and Laura are very active in their church. They enjoy hiking, sightseeing, and traveling. Their son, Taylor, also lives in Exeter with his wife and family.
